Superintendent's Highlights

The patrons of Shelley School District #60 renewed our Plant Facility Levy at an increased level, \$2.5 million over 10 years. The levy passed by an amazing 88% approval.

For the sixth straight year, the Shelley School District and the Shelley Education Association quickly and successfully completed teacher contract negotiations using "Interest Based Bargaining". Teacher morale and student achievement continue at a high level.

We are proud of the positive impact the K-12 Curriculum Alignment in four core subject areas has had on our students. Level Testing is well established and we are continuing to fine-tune other assessment strategies to evaluate student progress.

Our District Improvement Plan and District Technology Plan are proving to be valuable in guiding our district, yet flexible enough to accommodate changing circumstances.

Over 90% of administrative and certified staff received State Technology Certification.

Progress Towards Meeting District Goals

2000-01 Goals

Progress

Based upon work done by the Strategic Planning Committee and the Learning for the 21st Century/Idaho Management of Change Committee, seven areas of the Shelley Education System have been identified as those needing the most attention. The Shelley School District continues to focus its efforts in these seven areas.

Develop board policies relating to effective educational governance and curriculum management.

Plan for facilities upgrades and improvements.

Align all curriculum areas K-12 including assessment.

Provide professional development that supports delivery of district curriculum.

Improve communication and team building within the school district and the community.

Provide and use current, relevant technology in the learning environment.

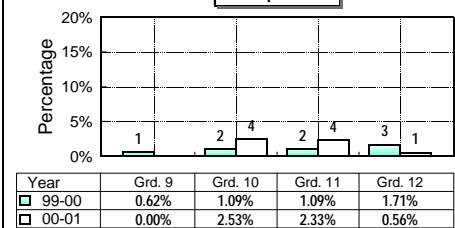

Identify proactive intervention and/or alternative education programs.
